The Masters 2020 at Augusta National

Master was used in England for men of some rank, especially "free masters" of a trade guild and by any manual worker or servant employee addressing his employer (his master), but also generally by those lower in status to gentlemen, priests, or scholars. In the Elizabethan period, it was used between equals, especially to a group ("My masters"), mainly by urban artisans and tradespeople.

Only Sir, or Master, both of which he apparently turned down. She asked me for suggestions, but I haven't a clue, especially as I too was abused by my father, and the idea would freak me out completely and have me heading for the hills faster than he could blink, so I do feel for her! When she told me - she said that he had asked her for ...

Occasionally he sends me a text "Good job faggot" and it makes me feel very happy i was of service to him. But sometimes i fail to meet his time line and if it keeps him waiting I am punished then and there, I take his punishment and thank him for punishing me and helping to make me a better slave for him.
