Manual Controls Fifa 12

Manual controls in FIFA 12 give you complete control over your game. They give you complete freedom to pass wherever and however you want. Many people feel that FIFA 12's assisted controls restrict their play. Assisted controls limit your play and your pass is only as good as the pass receiver's run. The beauty of manual controls is that you have full control over where you play the ball.

So I found that you cannot actually customise your controls properly in FIFA12? When you change your buttons for Attack it will automatically switch the same buttons for Defend. This is a horrible oversight and a massive negative for me personally, especially in a game that allows so much deep customisation.
