an art director for a record company.

### **Slash - IMDb**

5 or slash fiction : a genre of fan fiction which features a romantic pairing of two usually male fictional characters who are not romantically connected in the original work of fiction If women are the prime producers of the stuff, one would imagine that slash would be as full of male-female fantasies as male-male fantasies, but that's not the case.

### **Slash | Definition of Slash by Merriam-Webster**

The slash (/)—technically known as a virgule but also called a slant, solidus, or stroke (the common name in British English)—serves a number of purposes in writing, essentially standing in for other words as a quick and clear way of showing the connection between two things.
